

How to use your online library account:

Your library account log in is located at the top right of our website home page. When you click on “Browse Our Catalog” or “Manage Your Account”, our online catalog page appears in a new window, or tab. Your account log in is on the top right of this page.

To log in, type your card number (all 14 digits) as your user name, and your phone number (with hyphens) for your password. You may change your password after your first login.

If successful, you will then see “My Account” and “Log Out” at the top of the page. Click “My Account” to view your
