

Go to [www.muzzyclub.com/entry/NBuffalo](http://www.muzzyclub.com/entry/NBuffalo).

2. Select "I am a MUZZY fan."

3. Log in using your 14 digit library card number.

4. Choose the target language.

5. First time users should click on the 'life saver' in the lower left corner to access a short tutorial on how to begin using MUZZY Club. Don't forget to watch the orientation video:

<https://vimeo.com/200574808>.

6. After viewing the tutorial, or to start using the course, click on the numeral 1.

*From Android and IOS tablets:*

Perform a one-time Installation of the Puffin Academy Safe Browser for Children

1. Install the Puffin Academy Browser, Mobile Flash Browser for K-12 Education, from Google Play or the Apple App Store.

2. After installation, open the Puffin Academy Portal and search for Muzzy.

a

3. Once found, click on the Muzzy Language icon.

4. Select Install.

For every day usage of MUZZY:

1. Open the Puffin Academy app.

2. Select MUZZY and login with your library's credentials:
