

The basic purpose of the New Buffalo Township Public Library Circulation Policy is fourfold:

1. To make materials widely available.
2. To provide maximum use of the materials collection.
3. To facilitate requests for materials.
4. To provide for the retrieval of overdue materials.

The majority of library funding comes from levying property tax. Residents of New Buffalo City and Township financially support our local library and as a result are entitled to a free library card.

Library Cards

1) Where do you live?

A. If you live in the City of New Buffalo or New Buffalo Township-

- You will need an ID and proof of address.

Residents

A free library card is issued to a resident user upon the completion of a application card and the establishment of residency with written documentation of the user's current address. The individual making the request must provide adequate proof of ownership of a residence or boat slip. Acceptable forms of identification include a Michigan Driver's license, Michigan Registration card, or Social Security Card together with proof of residence. The card is valid for 1 years and may be renewed for additional 1-year periods.

Renter or Lessee

A free library card will be issued to a renter or lessee who provides a driver's license plus a utility bill proving permanent residency. Short term renters or lessees must purchase a non-resident library card for library borrowing privileges.

B. If you live in another city in Berrien County -- You must first get your library card from your home library. Also, your home library **must** have a reciprocal borrowing agreement with us.
